resam.t@gmail.com | +98 935 238 3135 | www.resam-t.ir

SUMMARY

> Over 5 years of experience in Programming and Mobile Apps, Software and Web Development
> Proven skills in Programming Languages and frameworks such as Flutter, Dart, C#, Xamarin.Forms, ASP.NET, SQL Server, CMS (WordPress, Magento, OpenCart, …)
> Noticeable experience in Systems Administration, IT Consultation and Analysis
> Graduated of bachelor's in computer engineering
> Fluent language skills in English (Verbal & Written) and Basic knowledge of German.

PROFESSIONAL EXPERIENCE

• Flutter Developer   Jun 2022 – Present
Elastic Teams | London, United Kingdom
- Build, test, and develop Cross-platform Mobile Applications using Flutter
- Gather feedback, develop, and improve Application to meet Organization and end-users needs
- App development using REST APIs, Firebase with MVVM Architecture
- UI Development using Material Design and Cupertino with Figma and XD
- Implementation experience of External Hardware Connections and CI/CD

• Mobile Application Developer   May 2020 – Mar 2023
National Iranian Oil Industry Pension Funds (OIPF) | Tehran, Iran
- Build, test and develop Cross-platform Mobile Applications using Xamarin.Forms & Flutter
- Gather feedback, develop and improve Application to meet Organization and end-users needs
- App development using REST, Swagger, MS SQL Server and SQLite

• Software Developer   Nov 2018 – May 2020
National Iranian Oil Industry Pension Funds (OIPF) | Tehran, Iran
- Producing clean, efficient code based on specifications using C# and SQLServer for Database
- Develop and design efficient Algorithms and Procedures
- Testing and deploying programs and systems, fixing and improving existing software
- Consulting with departments on project status and proposals
- Preparing reports and exports for other Departments

• Web & Mobile Application Developer   Feb 2020 – Jun 2021
Maacket Real Estate | Tehran, Iran
- Create, develop, troubleshoot and debug Website to meet company's needs
- Build, test, develop and maintain applications using Xamarin.Forms
- Monitor Website's efficiency and functionality
- Monitor the company's social media accounts and develop social media campaigns to achieve marketing goals

• IT Consultant   Feb 2016 – Oct 2019
Classic Real Estate | Tehran, Iran
- Manage and monitor all installed systems, network, infrastructure and routine operations
- Implement security systems and identify security vulnerabilities and eliminate them with strategic solutions

• IT & Network Technician   Jul 2014 – Nov 2018
National Iranian Oil Industry Pension Funds (OIPF) | Tehran, Iran
- Perform troubleshooting to diagnose and resolve Hardware and Software problems
- Create, develop, update, maintain and deploy OS Images
- Develop and maintain networks with Network section cooperation

• IT Support Specialist   Jun 2013 – May 2014
Rayaneh Komak | Tehran, Iran
- Serving customers who seeking technical assistance over the phone or email
- Performing remote troubleshooting through diagnostic techniques and pertinent questions
- Walk the customer through the problem-solving process
- Identify and suggest possible improvements on procedures

ACADEMIC EDUCATION

Bachelor's Degree – Computer Engineering   2005 - 2010
Azad University of Iran | Mashhad, Iran
> Equivalent to a Bachelor's degree in Germany
as determined by ZAB-KMK in Berlin, Germany, Reference No: L2020/225043 on Feb 2021
> Equivalent to a Bachelor's degree in Canada
as determined by World Education Services in Toronto, ON, Canada, Reference No: 4271333 on Dec 2019

• Conducted research into the design, operation, performance, and efficiency of Steganography
• Conducted research and implement design and programming of FPGA Circuits
• Algorithms Design Instructor (TA)
• ACM Competitions Specialist and Instructor (Coding and Algorithms Design)

COURSES & CERTIFICATIONS

> **General Programming Course**   Dec 2018
Cando Institute | Tehran, Iran
• C#, SQL Server, ASP.NET, HTML, CSS, JavaScript, jQuery

> **Network+**   Apr 2014
Asr-e-Arad Institute | Tehran, Iran

> **LPIC-1**   Aug 2008
Farmad Institute | Mashhad, Iran

VOLUNTEER ACTIVITIES

> **TED Translator**   Oct 2020 - Present

> **Computer Coding Challenge Executive Member**   Oct 2010
Azad University of Mashhad | Mashhad, Iran

> **Linux Ubuntu Seminar Executive Member**   Aug 2009
Azad University of Mashhad | Mashhad, Iran

SKILLS

| Flutter | Dart | Xamarin.Forms | C# | REST | gRPC | Swagger |

| SQL Server | MySQL | SQLite | Git | XAML | Bluetooth Connections Programming |

| JavaScript | HTML | CSS | Algorithm Design | Microsoft Windows | Linux OS | Ubuntu |

| Mac OS | OS Image Deployment | CMS (WordPress, Magento, OpenCart, …) | MS Office |

| Mikrotik | Wired & Wireless/Active & Passive Networking |

| Hardware Installation, Configuration and Troubleshooting |

LANGUAGES
• **English** (Full professional proficiency)
• **Deutsch** (Elementary proficiency)
• **Persian / Farsi** (Native proficiency)
